Dear California CPA Association

It is an honor to submit this letter in support of the nomination of Ms. Kelly Woo for the Women to Watch award. As an estate planning attorney, I have the pleasure of meeting many remarkable financial advisors. However, when it comes to the area of community service and leadership, one financial advisor rises above the rest, and that is Ms. Kelly Woo.

For the past few years, it has been an outstanding experience to work with her on mutual clients for their estate planning and financial portfolio. Ms. Woo's extensive knowledge, diligence and professional courtesy to each and every client is impressive to behold. She is always willing to thoroughly explain and simplify complex financial and tax concepts in order for the clients to have a clear understanding of their finances and select the best plan to suit their individual needs.

She is a proactive educator who continuously guides her clients about different financial options so that the client can be well informed before they make any financial decisions. She is also a team player where she incorporates other professionals' expertise so that her clients will be provided with the best counsel for their particular issue.

For the above reasons, I enthusiastically recommend Ms. Kelly Woo as a recipient of the women to watch award.

Thank you.

Sincerely
